2022 WORLD CHAMPIONS IOS

"We had an illegal skill in our routine that had not been caught all season. Had we not participated in the Oh! Canada Championships we would have been deducted AT WORLDS...we may not have even made it to finals! And now here we are with our globe and gold medals... The World Champions! The feedback was invaluable and the cash from Bucks for Canucks was just the cherry on top. This event is absolutely worth it...we'll be back!" – Eric Bestvater, Coach Rebel Cheerleading Athletics Smoke
