## MUSIC – PROCEDURE TO SUBMIT MUSIC IN ADVANCE

Please email your music files to [info@expofest.ca](mailto:info@expofest.ca) by **December 1<sup>st</sup>, 2022**. Prior to sending, please RENAME your music file with your team number (located in the left column on the schedule), your program name and team name. Example:

### 1 ABC Cheer Gym Teamname.mp3

Note that the team number IS **NOT** the number of athletes on your team. It is your performance number that we have assigned you. These music files will be arranged in a playlist to ensure the correct music plays for your team on the competition floor. We will test the file to ensure its' compatibility with our system prior to the event to help prevent any music mishaps onsite. If you send in your music, you will not be required to have a coach present at the music station during the performance.

Once called onto the floor the music will play once your team appears to be set. If you have any special instructions, please include them in the email with your music file. Your music will not be shared, and all music will be deleted from our files once the event is over.

### Should the schedule change, your performance number will remain the same.

Coaches who do not provide their music in advance are responsible for bringing their music to the DJ booth before their team's performance and bring any adaptors that may be required (Ipod connection, Iphone connection, USB-C connection, etc.). We recommend that teams have at least 2 copies of their music. Expofest Productions will not be held responsible for any technical problems (i.e. malfunction of cell phone, CD, cords/wires/adaptors, USB key, sending of incorrect music).

## PROFESSIONAL VIDEO

## PUBLIC HEALTH REGULATIONS

## JUDGING / SCORE SHEETS

Judges will evaluate according to the IASF technical rules and Cheer Canada scoring system. A computerized scoring system will be used.

Routine Review:

You can view the video of your team's performance at the score check area.

Only the legality and deduction sheet may be examined during the verification. All other scores are compared to teams in your division and do not have a formula for a particular score or scale.

Once the documents are available, coaches will have 10 minutes to collect, review and challenge legalities or deductions if necessary. Coaches cannot request a review without completing / submitting the Request for Review form (GREEN form).

If the coach wants to challenge deductions or legalities, here are the steps to follow:

- Complete a Review Request Form (GREEN) and remit it to the Review Judge. (Please note that if you have requested a verification of penalties, your entire routine could be reviewed, and this could result in new deductions).
- Coaches, a maximum two per team, will be called by the reviewing judge to discuss the review request and will have a maximum of four minutes to do so.

Reminder: coaches and judges must remain calm and respectful at all times. The official may grant a deduction for unsportsmanlike conduct to the team in question or the team may be disqualified.

At the end of four minutes, the reviewing judge will make the final decision on the review. If the revision results in a change in score, the new score sheets will be given to the coaches.

Coaches CANNOT request a review of a competing team or a team that is not theirs.

The IASF rules and Cheer Canada scoring system will be available at the Review table for you to consult, and a TV with a video review. Coaches cannot monopolize this video system.

## RESULTS

Completed/Full score sheets will be sent to clubs by email following the awards and the results will be posted on the website
